Re: **Ex Parte Presentation**

CG Docket No. 03-123

Dear Ms. Dortch:

On December 14, 2006, the undersigned spoke with Greg Hlibok of the Consumer and Governmental Affairs Bureau about solutions for curbing IP relay abuse. Discussed were three options: operator intervention, registration, and outreach to businesses. Concerns were raised about allowing operator discretion, though registration and outreach that would be coordinated between the FCC and the FTC, were encouraged.

Sincerely,

Karen Peltz Strauss
